## Exhibitor Rules & Regulations

1. **Contract:** The following rules and regulations become binding upon acceptance of this contract between the applicant (Exhibitor) and his/her employees and the Association of Environmental and Resource Economists (AERE), the show sponsor.

AERE reserves the right to restrict any company, organization, or individual from exhibiting at the AERE Summer Conference for any reason.

2. **Exhibit Space Description:** This year's AERE Exhibit Hall will be a tabletop format. Exhibit Fee includes: One (1) 6' draped and skirted table and two (2) chairs, tabletop booth sign showing your company name, exhibitor registration fee waived for one (1) representative (each additional representative \$100.00), breakfast and refreshment breaks, one (1) welcome reception ticket, and company listing in conference program. THIS DOES NOT INCLUDE ELECTRICITY OR INTERNET. As per AERE Rules, all additional charges, including, incurred including but not limited to electrical or internet services, shipping, and security fees are at the Exhibiting Company's expense.
3. **Exhibitor Sales Policy:** To maintain the integrity and focus of our nonprofit association's Conference, onsite retail sales are strictly prohibited for all exhibitors. Exhibitors may showcase and demonstrate their products or services; however, any transactions or sales must be conducted outside the Conference venue. This policy ensures that the event remains centered on education, networking, and collaboration. Violations of this policy may result in removal from the Conference and potential future participation restrictions.
4. **Space Assignment:** Booth locations will be assigned at the sole discretion of show management. Placement will be made based on receipt of payment in full, extent of support, order in which contracts were received, electrical needs and, if possible, separation of direct competitors. Management reserves the right to arrange the floor plan as necessary to facilitate a successful traffic flow.
5. **Adherence to Schedule:** Exhibitor understands that no move-ins or move-outs will be permitted other than in accordance with the schedule set forth in the schedule of events. In the event that AERE incurs additional expenses as a result of Exhibitor's failure to adhere to the move-in/move-out schedule, Exhibitor agrees to reimburse AERE for any such additional expenses. It is imperative that booths be properly manned during the posted hours. Booths are subject to modification prior to the Conference to adapt to necessary changes in Conference session times; however, all Exhibitors will receive adequate notice should this be necessary.
6. **Ancillary Events:** If you plan to host an ancillary event during the 2025 Summer Conference carefully review the event policy. An ancillary event is any function held adjunct to an AERE meeting by a group other than AERE. AERE requires that all groups respect the educational focus of our meeting by clearing all ancillary events through the Association before they are finalized. To limit disruptions to AERE meeting attendees, ancillary events should be scheduled after the conclusion of the last educational session of the day; this ensures that AERE is aware of every activity, so we can better assist attendees in planning their agendas or finding a specific activity. This policy shall be in effect from Wednesday, **May 28, 2025**, until **Friday, May 30, 2025**.
7. **Exhibit Hours and Disclaimer:** Exhibit space must be occupied during all exhibit hours of the Conference as posted. This agreement is for the rental of the exhibit space only. If Exhibitor wishes to have music at his/her space, the Exhibitor must obtain a music license to do so.
12. **Fire and Safety Regulations:** In order to comply with local fire ordinance requirements, all decorative material must be flame resistant.
